Frogna Hampstead NW3

Set within an elegant newly renovated period conversion, this exceptional garden apartment is one of four beautifully refurbished residences, finished to an outstanding specification throughout.

Extending to approximately 1,600 sq ft, the apartment has been meticulously redesigned and renovated to an exceptional standard, seamlessly combining contemporary luxury with the timeless character and charm of the original building.

The accommodation is both bright and generously proportioned, featuring an impressive reception room, a stunning bespoke kitchen with marble worktops, spacious bedrooms, and beautifully appointed bathrooms. Presented in immaculate turnkey condition, the property offers sophisticated modern living in a highly desirable setting.

Further benefits include underfloor heating throughout, high-quality oak-veneered joinery, and newly installed double-glazed sash windows, ensuring both comfort and energy efficiency.

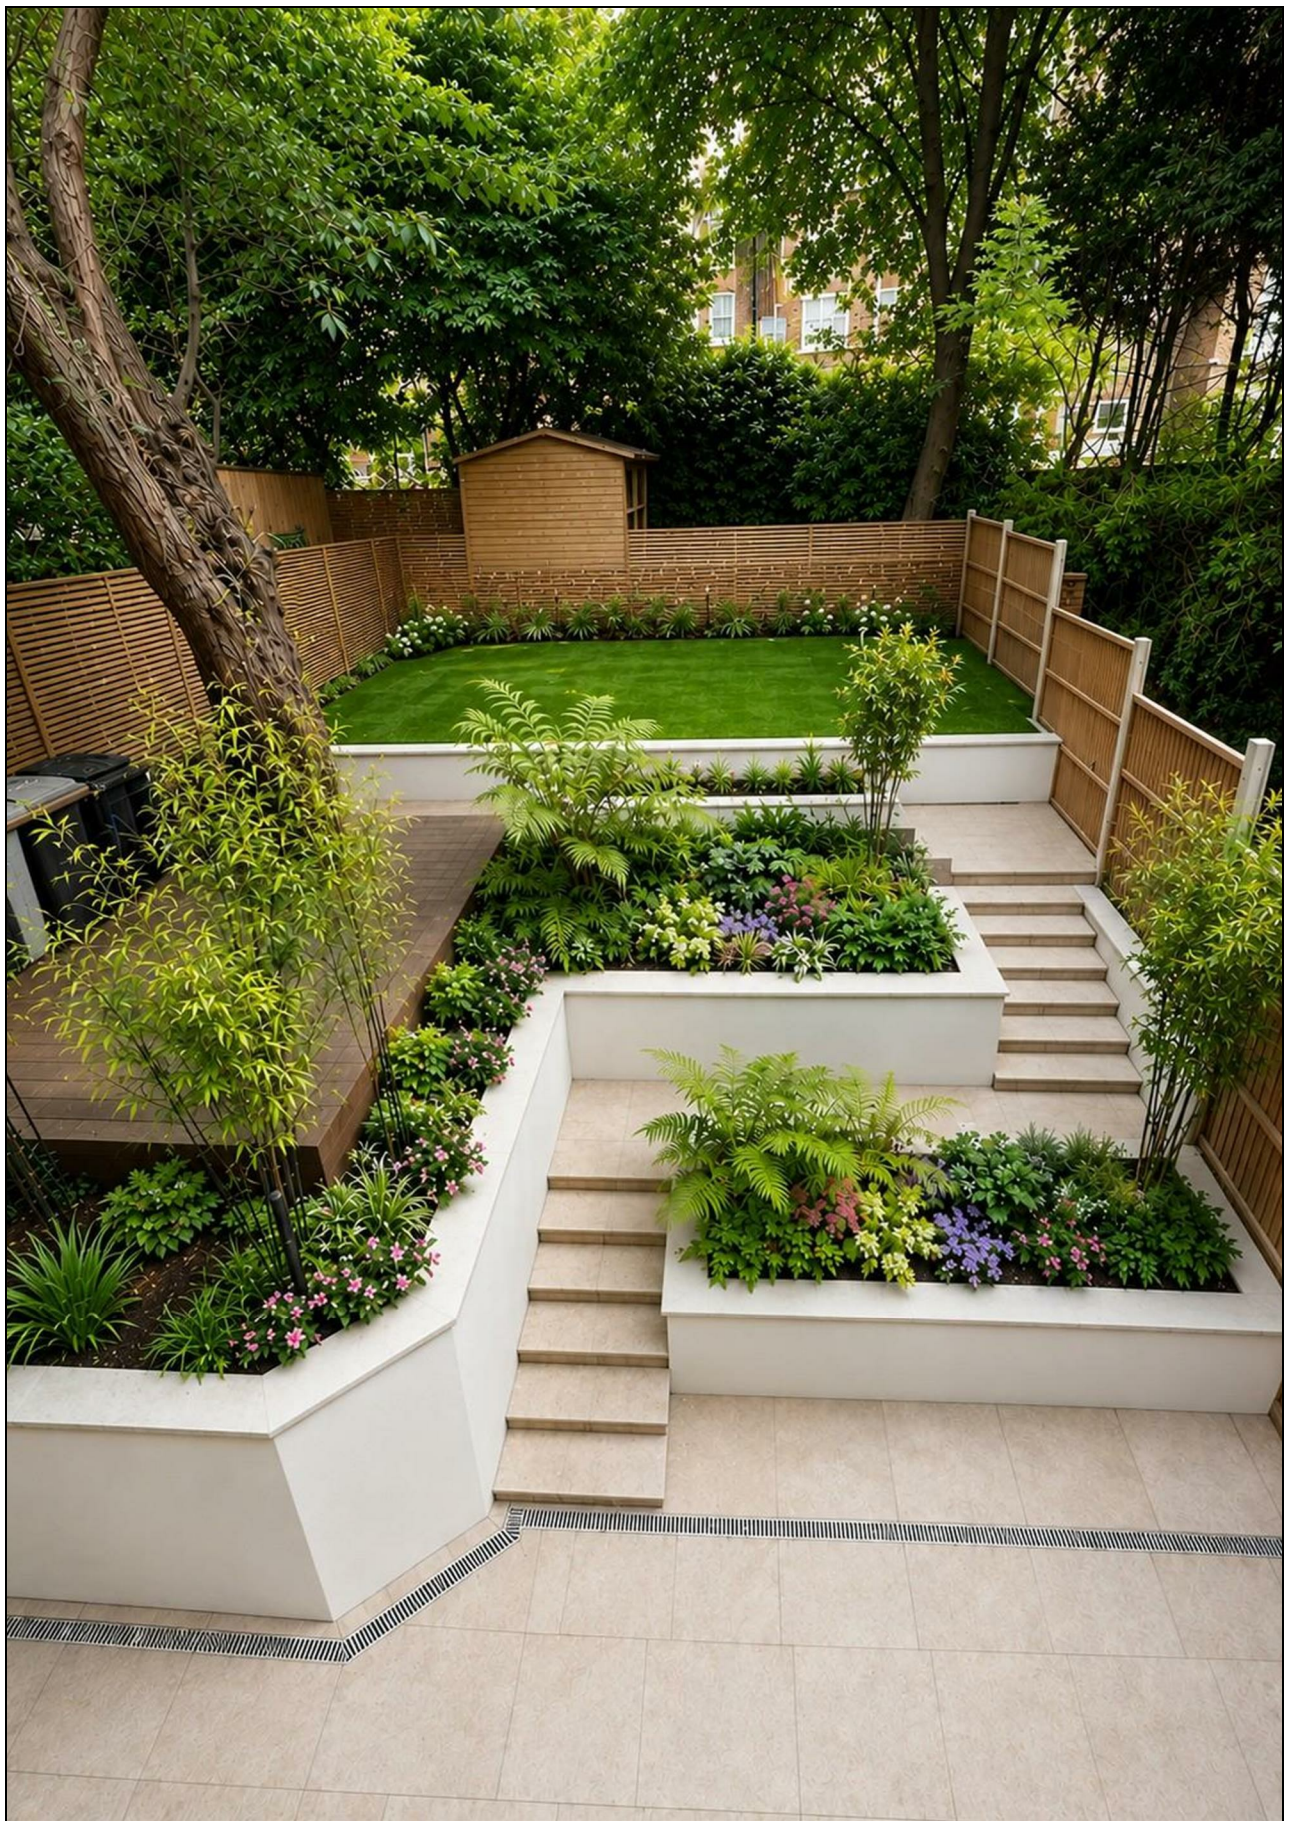

Ideally located on Frogna, the apartment is within easy reach of the boutiques, cafés, restaurants and amenities of Hampstead Village, while the extensive shopping, leisure and transport facilities of Finchley Road are also close at hand. Excellent transport connections are available from both Hampstead and Finchley Road stations, providing swift access across London via the Northern, Jubilee and Metropolitan lines, as well as convenient Overground services nearby.

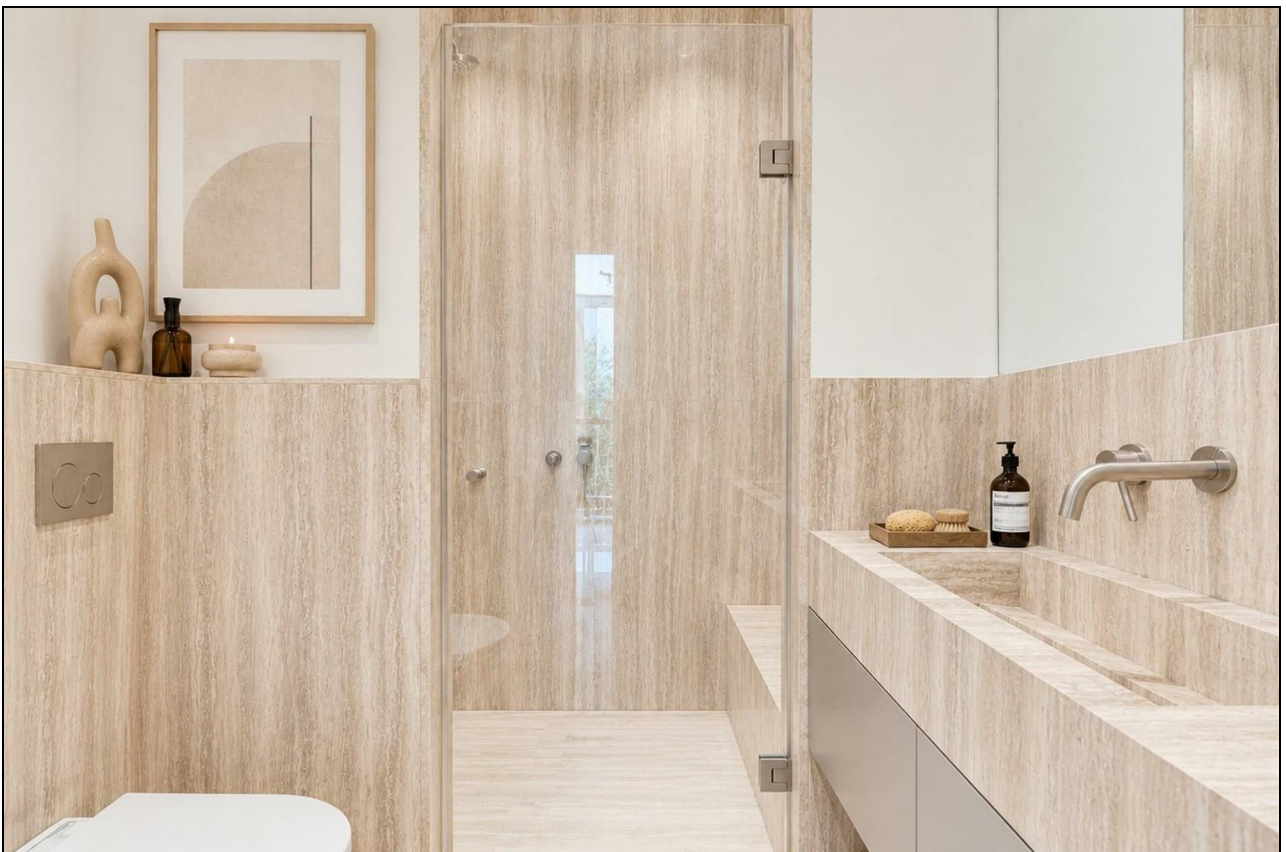

Please note: CGI furniture has been included in some of the imagery. The garden visual is also CGI depicting the intended finished appearance of the outdoor space.
